HYALURON & PROCOLLAGEN+ SUPERIOR

- Unique formula for the daily beauty routine
- Vegan hyaluronic acid (GREENIURONIC®)
- 3 collagen building blocks: glycine, L-proline & L-lysine
- Cherry-rose flavor

Three blends - one mission: your beauty.

The "+" in HYALURON & PROCOLLAGEN+ SUPERIOR stands for a groundbreaking formula that takes your daily beauty routine to a new level. Three blends merge with revolutionary vegan hyaluronic acid (GREENIURONIC®) from Tremella extract to create the perfect beauty secret.

+ **ProCollagen Blend** with the collagen building blocks glycine, proline and lysine as well as vitamin C, which contributes to normal collagen formation for normal skin function.

+ **GlamourBeauty Blend** with biotin, which supports the maintenance of beautiful skin, vitamin B6 to support hormonal regulation and selenium, which contributes to the maintenance of healthy hair and nails. With silicon, a building block of nails, skin, hair and connective tissue, and pantothenic acid. The blend also shines with phytoceramides from gluten-free wheat seed extract (CERAMOSIDES™). Ceramides are lipids that occur naturally in the skin.

+ **AntiOx Blend** with zinc, which protects the cells from oxidative stress, as well as the enzyme SOD (superoxide dismutase) from melon juice (EXTRAMEL®) and polyphenols from grape seed and pomegranate extract.

- With vegan hyaluronic acid & vitamins A, E, biotin and zinc for beautiful skin, hair and nails (1)
- Taste explosion deluxe - first crunchy, then creamy
