

# Alpha lipoic acid 200

## For targeted intake

### Alpha lipoic acid

Alpha lipoic acid, also called thioctic acid, is a sulphur- containing substance that is, to a minor degree, produced by the body. This high-quality product contains alpha lipoic acid in its natural, readily bioavailable R-form. In the 1950s, alpha lipoic acid was isolated from liver tissue and investigated with regard to its physiological functions.

### Biogena Alpha Liponsäure 200 for targeted intake

Biogena Alpha Liponsäure 200 contains 200 mg alpha lipoic acid in pure, concentrated form.

### Bioavailable micronutrients in a pure form

- Only active ingredients
- Free of additives
- No colouring agents, artificial flavourings or covers
- Gluten-free
- Fructose-free
- Lactose-free
- Hypoallergenic
- Plant-based capsule shell
- 100 % vegan
- Quality tested
