

# Gut Formula Plus

## With curcuma extract

### Vitamins to support the intestinal mucosa plus valuable plant substances

In ancient Egypt, black cumin oil was known as the “gold of pharaohs” and was much sought after. Researchers discovered numerous indications of its use as an essential oil in papyrus scrolls. Nowadays, black cumin is used as a spice especially in Asia and in the East and is globally appreciated. Carefully handled, its high-quality ingredients such as thymoquinone and alpha-hederin remain unchanged. Biogena Darm Formula Plus combines black cumin seeds and other valuable plant extracts with the vitamins niacin and vitamin B2, which play a crucial role in maintaining a normal intestinal mucosa.
