

HYALURON & PROCOLLAGEN+ SUPERIOR

The Art of Exceptional Beauty - Radiance has never been more multifaceted.

Whether nail care, radiant skin or perfect glamorous hair are on your beauty agenda: The Beauty & Glow Microdrink Stick is "The Art of Exceptional Beauty". It is the new way to care for your skin from the inside out and to supply your hair and nails with nutrients - with moisture-binding hyaluronic acid, amino acids as collagen building blocks, phytoceramides and selected vitamins and minerals. The natural flavour of cherry and rose lends the beauty ritual an aromatic note with a moment of pleasure.

Three blends - one mission: your beauty.

The "+" in HYALURON & PROCOLLAGEN+ SUPERIOR stands for a breakthrough formula that takes your daily beauty routine to a new level. Three blends fuse with revolutionary vegan hyaluronic acid (GREENIURONIC®) from Tremella extract to create the perfect beauty secret.

+ ProCollagen Blend with the collagen building blocks glycine, proline and lysine as well as vitamin C, which contributes to normal collagen formation for normal skin function.

+ GlamourBeauty Blend with biotin, which helps maintain beautiful skin, vitamin B6 to support hormonal regulation and selenium, which helps maintain healthy hair and nails. With silicon, a building block of nails, skin and hair and connective tissue, and pantothenic acid. In addition, the blend shines with phytoceramides from glute-free wheat seed extract (CERAMOSIDES™). Ceramides are lipids that occur naturally in the skin.

+ AntiOx Blend with zinc, which protects the cells from oxidative stress, and the enzyme SOD (superoxide dismutase) from melon juice (EXTRAMEL®) and polyphenols from grape seed and pomegranate extract.

HYALURON & PROCOLLAGEN+ SUPERIOR

- With the 3 collagen building blocks glycine, L-proline and L-lysine from vegan sources
- With hyaluronic acid from a vegan source (GREENIURONIC®), phytoceramamide complex from gluten-free wheat seed extract (CERAMOSIDES™) and SOD from melon juice concentrate (EXTRAMEL®) as well as pomegranate and grape seed extract
- With selected beauty nutrients in perfect synergy - with vitamin C, vitamin B6, biotin, zinc and selenium
- Biotin contributes to the maintenance of normal skin and hair. Selenium supports the maintenance of normal nails and hair. Vitamin B6 plays a role in regulating hormone activity. Zinc contributes to the maintenance of normal skin and helps protect cells from oxidative stress. Vitamin C contributes to normal collagen formation for normal skin function
- Super-fruity drinking pleasure with cherry-rose flavour
