

OPC Resveratrol Formula

The polyphenol spectrum from French grape and grape seed extracts & trans-resveratrol

OPC: A spectrum of plant-based polyphenols

OPC – this term denotes not just one active ingredient but a whole group of valuable plant substances. The so-called oligomeric proanthocyanidins (OPC) are particularly abundant in nature in the outer parts of the plants – such as bark or shells – but also present in seeds and cores. OPC primarily serve the plant as protection against UV-radiation and climatic influences. Grape seeds and skins in particular, as well as the barks of maritime pines rank as excellent sources of OPC.

In addition to OPC, Biogena Resveratrol Formula also contains trans-resveratrol, which gained international recognition in the 1990s as a natural component of red wine. As a natural protective substance, resveratrol in plants works against parasitic and fungal infections. Increased amounts of resveratrol also form in the plant in times of stress, for example from UV-light. Resveratrol in the form of trans-resveratrol is recommended in food supplements due to its stability.

Biogena OPC Resveratrol Formula:

- Contains valuable oligomeric proanthocyanidins (OPC) from grape and grape seed extracts
- Contains plant-based trans-resveratrol naturally found in red wine

Possible uses:

- For a targeted intake of a broadband polyphenol spectrum derived from the whole grape

Bioavailable micronutrients in a pure form

- According to the pure substance principle
- Without colours, flavours or glazing agents
- Gluten-free
- Lactose-free
- Vegetable capsule shell
- 100 % vegan
- Quality tested

INGREDIENTS

Grape seed extract (*Vitis vinifera*), grape extract (contains **sulphur dioxide**), hydroxypropyl methyl cellulose (capsule shell), bulking agent: powdered cellulose, trans-resveratrol.

RECOMMENDED DOSAGE

1 capsule daily taken with plenty of liquid.

NOTE

Food supplement in accordance with EU Directive 2002/46/EC

IMPORTANT NOTICE

Products that contain trans-resveratrol should only be taken together with other medication under medical supervision.

ADDITIONAL NOTE

A product with OPC does not replace a diet with fresh fruit and vegetables.

PACKAGE SIZE AND CONTENT

60 capsules (2 month supply), 26 g

Food supplement: The recommended daily dosage should not be exceeded. Not a substitute for a balanced and varied diet and a healthy lifestyle. Store in a dark, dry place at room temperature.
